California Virtual Campus (CVC)

What is a...?

Home College

A California Community College that has *completed the necessary technical steps to enable their students to instantly enroll in courses at a Teaching College via the CVC Exchange.*

Teaching College

A California Community College that has *completed the technical steps allowing students from a Home Colleges to instantly enroll in courses via automated cross-enrollment.*

CVC Exchange: Enrollment Pathways

AUTOMATED PATHWAY

The screenshot shows the Banner Sandbox CVC Exchange interface. At the top, there's a navigation bar with 'Dashboard', 'Class Schedule', 'Favorite Courses', and 'Saved Searches'. A search bar is on the right. The main content area is for 'MATH106 - Developmental Math'. It includes a 'Course Description' section, a 'Transfer Information' section, and a 'Course Sections' table. The 'Tuition & Fees' section shows a cost of \$155.00. A red box highlights the 'Add Class' button in the 'Enroll' section.

CVC Exchange: *The Student Journey*

Student Eligibility for FA

- Enrolled in a minimum of 6 units at the Home College
- Filed a FAFSA / CADAA at the Home College
- Approved for Federal Financial Aid at the Home College

Home College (HC)

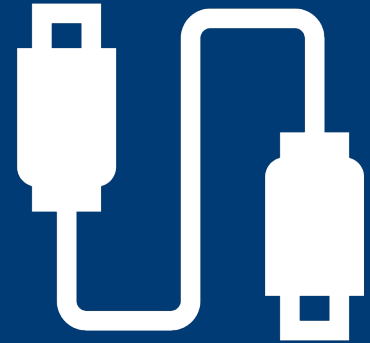

A Home College student applies to a Teaching College through the Exchange

When a student chooses “I intend to use FA”, the HC & student receive an auto-email

- HC signs the Federal Financial Aid Consortium Agreement
- HC designates Exchange FA Campus Admin
- FA determination made by HC based on aggregated units & eligibility
- Student notified by HC regarding FA determination
- HC auto-notified when a student drops or withdraws
- Campus Admins access student data via Exchange Dashboard
- HC monitors SAP via eTranscripts sent from the TC
